

New Zealand at Venice Biennale Charitable Trust

Leigh Melville, Head of Patrons for New Zealand's presence at the Venice Biennale in 2019 and the Commissioner, Dame Jenny Gibbs, invite contributions from supporters of the arts to enhance the exhibition at the world's most prestigious art biennale.

Following New Zealand's outstanding success at the Venice Biennale 2017, we are delighted to be supporting Dane Mitchell's presentation for 2019. Help us to continue presenting the very best of New Zealand art to the world.

For donations of \$3,000 [single] or \$6,000 [double] and above, you can become a member of Patrons of New Zealand at Venice.

If you are able to join us in Venice for the Vernissage week [6 – 11 May 2019], there will be a wonderful schedule of activities that you may participate in.

The Patrons Programme begins with exclusive welcome drinks at a private garden on the Grand Canal on Monday 6th May and concludes with the Commissioner's farewell gathering at the New Zealand pavilion on Friday 11th May.

Patrons will be invited to all the official events, including the blessing and opening of the New Zealand pavilion, as well as a number of special breakfasts and small personalised tours of the highlights of the Biennale's curated exhibition.

In addition, the programme will offer a variety of unique, optional activities including a private vaparetto trip to Sant'Erasmus Island followed by lunch at Gatto Nero, an after-hour tour of Basilica San Marco, and the popular tour of the famous Scrovegni Chapel led by Claire Chamberlain, art historian and fellow patron.

We encourage you to join us to see the exhibition that you have helped make happen.
